ANNIVERSARY DATE: Annually on July 11

Joy Moussly:

The Georgia Department of Transportation has reviewed your Georgia Uniform Certification Disadvantaged Business Enterprise (DBE) application. Our evaluation of the information submitted with your request for certification indicates that your firm has met the criteria outlined in Federal Regulations 49 CFR, Part 26.

DBE Certification will be continuous; however, it is contingent upon the firm maintaining its eligibility annually through this office. You will receive an Annual Affidavit for Continuing Eligibility (AFCE) and request for Personal Financial Statement (PFS) approximately thirty days prior to your firm's certification anniversary date. **The Annual Affidavit for Continuing Eligibility and PFS document must be completed, signed and returned to our office before your anniversary date in order to continue your firm's eligibility as a DBE.**

Your firm will be listed in Georgia's UCP DBE Directory which can be accessed through the Department's website: www.dot.ga.gov. Prime contractors and consultants can verify your firm's DBE certification status and identify the work area(s) for which the firm is DBE eligible through this Directory.

Your Vendor ID Code is: 2MC945

Your firm has been certified to provide the following services as outlined in the North American Industry Classification System (NAICS):

NAICS Code 541330	Engineering Services
NAICS Code 541380	Testing Laboratories

It is your obligation to notify GUCP of any changes in ownership and/or control of your company. If at any time during the year there is a change in ownership and/or control of your firm, you are required to notify this office of such change in writing by sworn affidavit and with supporting documents within thirty (30) days. Changes also include but are not limited to officers, directors, management, key personnel, scope of work performed, daily operations, ongoing business relationships with other firms or individuals, or the physical location of your firm.

Failure to do so will be deemed a failure, on your part, to cooperate and will result in immediate actions to remove DBE certification in accordance with **49 CFR Part 26, Section 26.83 (j)** of the Federal DOT Regulation.
