Job Title: Field Technician Palm Beach FL

THE COMPANY: MC Squared, Inc. is a regional professional consulting firm specializing in the fields of Geotechnical engineering, Geo-Environmental Construction Materials Testing and Inspection and Pavement Management with offices in Florida, Georgia and South Carolina. Our clients are comprised of DOT's, municipalities, state agencies and large multi-national engineering firms. We are retained to provide complex and innovative engineering solutions to support the design of water and wastewater treatment plants, roadways, bridges, airports, tunnels and conveyance systems. (Additionally, we provide innovative and cost-effective solutions for structures, commercial developments and educational systems.) MC Squared has created an environment of subject matter experts (SME) and seasoned professionals with national and international experience as well as PhD-level engineers. Our team provides a healthy environment for career advancement in technical, managerial and business development areas with an exceptional commitment to engineering excellence and client service.

Job Description:

Must be certified and experienced (3+ years) with work on Florida projects. Successful candidates must have valid certifications.

Qualifications and Skills:

- 2 -10 years experience with work on Florida projects.
- Experienced with soils, masonry, concrete and asphalt testing for field operations.
- Certified with ACI, NDG, CTQP and NICET in Soil, Concrete and Asphalt.
- Structural Steel Inspection experience is a plus.
- Ability to communicate and interact effectively in verbal & written communication

Why work for MC Squared?

Here at MC Squared, we know just how important it is to have a coherent company culture. Our firm is dedicated to safety, a positive attitude and a commitment to exceptional work quality; we take pride in a culture that is driven by these core values of safety, quality and "Can Do" attitude. Our goal is to grow our team by onboarding people who either share these core values or possess the willingness and ability to embrace these values. That is why at MC Squared, our most important asset is our people. MC Squared has experienced growth at 40 percent a year over the last several years and our current in-house projects show the trend will continue. We have a remarkable executive leadership team that will inspire you to learn and grow. We are exceptional people who excel at the top of our industry in providing exceptional solutions!

Company Benefits: MC Squared offers an excellent compensation and benefits package including medical, vision, dental, accident, GAP and disability insurance, 401(k), 401(k) match, paid life insurance, profit sharing, paid holidays and vacations. MC Squared is an Equal Opportunity Employer. You **MUST** be DRUG-FREE and have a GOOD driving record.
